The Mandarin Bridge Teacher in China Program

The Mandarin Bridge Teacher in China Program offers you the great Chance, to gather first international teaching experience in China. In Addition to that, you will be taken care of by a skilled staff and will receive further academic training.

Following the Confucian tradition a teacher receives a high level of respect in China. This, in addition to the short working hours, will provide you with an excellent chance to explore China and to get to know its ancient culture, incredible landscapes and modern cities.

You will be teaching small classes up to 20 hours a week. Our program coordinators will assist you with the necessary paperwork and you can reach them 24/7 if there should be any issues. In addition to your salary you will receive free insurance, flight allowance and subsidized Mandarin courses.

What benefits would I get?

Benefits eligible to an English teacher in China:	
✓	6.000 – 13.000 RMB salary, depending upon your education
✓	6.000 RMB flight allowance, receivable after program completion
✓	free health and accidental insurance in China
✓	academic training and subsidized Mandarin lessons
✓	2 weeks of paid vacation
✓	free visa extension / residence permit in China
And many more services!	
Your responsibility	Teaching a small class 15 to 20 hours per week

What are the requirements?

Most of these requirements are necessary to obtain a working permit as a teacher under the laws of the PRC. If you should not meet all requirements you can still apply for a teaching internship.

- You have to be at least 18 years old
- You have to hold at least a Bachelor degree
- You should be a native speaker or speak English on a professional level
- You should have two years of post-graduate working experience
- You should be a team player and culturally open-minded

What would be my responsibilities?

- You have to work up to 20 hours a week
- Preparation and design of the English classes
- Supervising and guiding your students
- Support the school during various activities
